

## **First, Let us say "Welcome!"**

No coat and tie required! No shirt, no shoes...? OK! We would appreciate it if you would wear something though. Naked is a little distracting.

Worship, prayer, study, and fellowship with us is not like any "church" you've ever been to before.

## **We are not "Christians"**

Just wanted to get that out there right away. We don't have a problem with the Christian church, we just believe they're chasing after a mistake.
