

The Church of Bahoudii takes a radically different approach to giving than most churches.

We never pass a plate, we never beg for money, we never use "tithing" to guilt people into making contributions.

**If you don't believe in our work, we don't want your support.
(Bet you've never heard a church say that before, huh?)**

If you **DO** believe in our work and are blessed with more than you need, we would gladly receive your contribution to further the work. Below you can find several options for making contributions to the Church.

First, there is the **Church of Bahoudii** ***Sustaining Membership*** contribution. This level of support brings you in full agreement with the Church. In addition to supporting the work of the Church, **Sustaining Members** receive all of the benefits of Supporting Membership and may participate in Seminary classes with no fees.

g Membership level is a \$10 (or more) monthly contribution.

Next, there is the **Church of Bahoudii Supporting Membership** contribution. In addition to supporting the work of the Church,

Supporting Members

recieve regular email updates on Church ministries.

Supporting Membership level is a \$5 monthly contribution.

If you want to support the work of the Church, but don't want to become a member, we provide the option for you to make a **one-time supporting contribution** in any amount you choose.

Finally, to provide the most support for people to decide on their own level of giving, an option is at the bottom to set up a **recurring contribution** of any amount you choose either one-time, weekly, monthly, or annually.
